Dear Sandrine,

Thank you for applying for a grant to the Genesis Kickstart Fund.

We are delighted to inform you that your project, Feathers, with Sandrine Monin's Group of Artists, has been awarded a grant of £10,000, to be paid in July 2021.

The Genesis Kickstart Fund received a substantial number of grant applications from artists and creative professionals all over the UK. The standard of the proposals, covering a wide range of exciting projects, was consistently impressive. All the applications were rigorously reviewed by members of the Fund's Advisory Council, who scored each project against the stated criteria (Quality, Value for Money, Innovation, Benefit to Society) before making their recommendations for funding.

In the week commencing 19 April you will receive an email from our grant platform at no-reply@goodgrants.com with information on the formal terms relating to the grant. Once you have used the Fund's online system to confirm your acceptance of the funding, and to provide details of your bank account and additional material related to your project, you will be eligible to receive the scheduled payment.

Further information and guidance will be supplied online, but please do not hesitate to contact us if you have any questions.

The first public announcement of grant recipients and their projects is scheduled for May. Until then, **we would be very grateful if you could keep your good news confidential.**

Congratulations on your successful application to the Genesis Kickstart Fund. We look forward to making the announcement and to following your project through to fruition.

If you have any questions, please contact grantsteam@genesisfoundation.org.uk

With best regards

Yours sincerely
