

Leeds Safeguarding
Children Partnership

Online Safeguarding Refresher Training

Name: Sandrine Monin

Has completed this online training session where they will have received an update of national and local changes to safeguarding and child protection from the past three years.

By the end of this online course, participants will have an awareness of:-

- Latest safeguarding and child protection definitions
- Changes to policies and procedures both locally and nationally
- Relevant changes within local safeguarding and child protection services
- Key messages with regards to safeguarding and child protection
- Messages from serious case reviews both locally and nationally
